

Colleague Partnering

Create Rapport and Build Empathy

- What are the important work priorities, demands and pressures that we need to be aware of for each other?

Share and Understand Expectations

- Let's share what we hope to achieve from working together.

Establish Agreements

- What do we need to do differently to better work together?

- 1.
- 2.
- 3.

Grow the Partnership

- How will we keep the lines of communication open?
- What is our common ground?
- Any potential friction points to be mindful of?
- How often should we catch-up to debrief?
